#### ANNUAL REPORT OF THE PASTOR 1983

One year ago, on this date, we held the 135th annual meeting of Berean Baptist. This year was a year full of dreams, partially met expectations, and some growing pains.

It was a year of hosting many groups and programs. We hosted the Spring and the Annual meetings of the Winston Association, and the two youth rallies, as well as the Association Women's June meeting. In addition we hosted a Lenten Service, one of the Holy Week services, the Laundry Thursday Service, the Easter Breakfast, and the Christmas Eve Service as well. Each of these was a memorable and valuable event for Berean and our fellow Christians.

In addition to the religious services we provided a meeting place for three of the four Carbonale Town meetings sponsored by the Historical Society and the Citizens for a Better Carbonale. We also provided a temporary meeting place for the Kiwanis Club as it searched for a permanent location. Much good will was generated for Berean because we were so gracious and of service to our larger Carbonale Community.

#### REPORT OF THE CommPac COMMITTEE

The CommPac Committee was appointed by the Administrative Board to serve as the Stewardship Committee of the church. The committee consisted of S. Robert Powell, chairperson; Carolyn Thomas, Goals coordinator; Susan Smith, Materials and Information coordinator; and the Pastor, Rev. Jullis. There will be three others appointed to serve with these members for 1984.

The committee attended four training sessions and held numerous planning and work sessions throughout the fall. It guided the church's stewardship emphasis during the 12 week period in the fall. The program included mailings, sermons, posters, goal setting sessions with various groups, a Presentation Deal and a Commitment Sunday. Ten goals were adopted at the Presentation Deal and later accepted by the Administrative Board as goals for 1984. These goals are:

1. Increase of Sunday School enrollment by 10-15 pupils.
2. Erect a new outdoor bulletin board.
3. Employ Florio Seale as Choir Director.
4. Purchase a new organ worthy of and appropriate for our church.
5. Reach out to Berean's Young Adults (18-30 yrs) to develop a ministry with/for them.
6. Increase our financial support for Berean's Ministry by 15% about \$10,000.
7. Use Radio ci: Radio and C.V. to get the word around.
8. Purchase recording equipment.
9. Update all audio visual equipment.
10. Develop the church library.

The congregation responded financially with pledges amounting to \$20,000. (approximately) to support the ministry of the church. This assisted the General Business Committee in projecting our 1984 budget.

Thank you, Berean

S. Robert Powell,  
Chairperson
